

The background of the menu is a vibrant, sunlit field of green grass. In the foreground, several colorful Easter eggs are scattered across the grass. The eggs are decorated with various patterns, including floral designs and swirls, in colors like yellow, pink, purple, and red. In the upper left corner, there are soft, out-of-focus images of pink and white flowers. The overall atmosphere is bright and cheerful, with a warm, golden light filtering through the scene.
